<b>Instruction:</b>	Hello Smarter Appliances, Please attend to an issue with the dishwasher, if possible today subject to your availability. Tenant's advise. The Neff dishwasher is not working. It is throwing an error code E25. I've cleaned the filter and checked for debris blocking the pump but it hasn't fixed it. Please liaise with the tenant on the matter of access. NOTE - Anyone entering or leaving the building double locks the main street door. When entering the building after closing the main street door they need to engage the thumb lock. When leaving the building after closing the main street door the top lock also needs to be secured with the key. Regards, Annabel
